

# CAMBRIDGE INTERNATIONAL O, AS AND A LEVEL CHEMISTRY

---

## SUCCESS BEYOND THE CLASSROOM

These courses of chemistry not only prepare students for their examinations but also nurtures critical skills that are highly sought after in the 21st-century workplace. By developing analytical thinking, problem-solving abilities, and scientific literacy, students are equipped for success in further studies and future careers in fields such as medicine, engineering, research, and more.

## Key Features of Our Chemistry Program:

- **Experienced Educators:** Our team of dedicated and highly qualified teachers bring their expertise to the classroom, ensuring an enriching and engaging learning environment.
- **Extensive Resources:** Access to a wealth of resources, including textbooks, revision guides, past papers, and online materials, supports students in their learning and exam preparation.
- **Exam Preparation:** Our comprehensive program includes regular assessments, mock exams, and targeted revision sessions, enabling students to build confidence and perform at their best in their examinations.

## The Class Routine:

Day	10.30am-12.00pm	12.00 to 1.30pm	3.00 to 4.30pm	4.30 to 6.00pm	6.00 to 7.30 pm	7.30 to 9.00 pm
<b>Saturday</b>	AS. Lab	AS. Lab	O Level	AS Level	A Level	O Level
<b>Sunday</b>			O Level	O Level	O Level	AS /OL (Extra)
<b>Monday</b>			O Level	AS Level	O Level	A2.24
<b>Tuesday</b>			O Level	AS Level	O Level	O/AS/A2 (Extra)
<b>Wednesday</b>			O Level	AS Level	O Level	AS /OL (Extra)
<b>Thursday</b>			O Level	O Level	O Level	O Level

**Theory:** Select any two classes per week for any level.

**Lab:** The routine is fixed.

## The Fee Structure:

Sl	Program	Monthly fee (BDT)	Course fee (BDT)
1	Admission fee in any course	2,000	-
2	O level Chemistry Theory (G8 & G9)	3,000	-
3	O level Chemistry Theory (Candidates)	3,500	-
4	AS level Chemistry Theory	4,000	-
5	A2 level Chemistry Theory (P4+ P5)	4,500	-
6	O level Chemistry Lab Course	-	20,000
7	AS level Chemistry Lab Course	-	24,000
8	O level chemistry Paper#4 Course	-	12,000
9	A2 chemistry Paper#5 Course	-	15,000

## Course Instructor:

### ENGR. M. A. HAMID

- Chemical Engineering (BUET), Business Administration (IBA, DU)
- Entrepreneur of more than one startups.
- The master instructor of O, AS & A2 chemistry, EQ, STEM, Online Earning and other top level skill development courses.
- Author of several books in Amazon:

<https://www.amazon.com/author/md.abdulhamid>

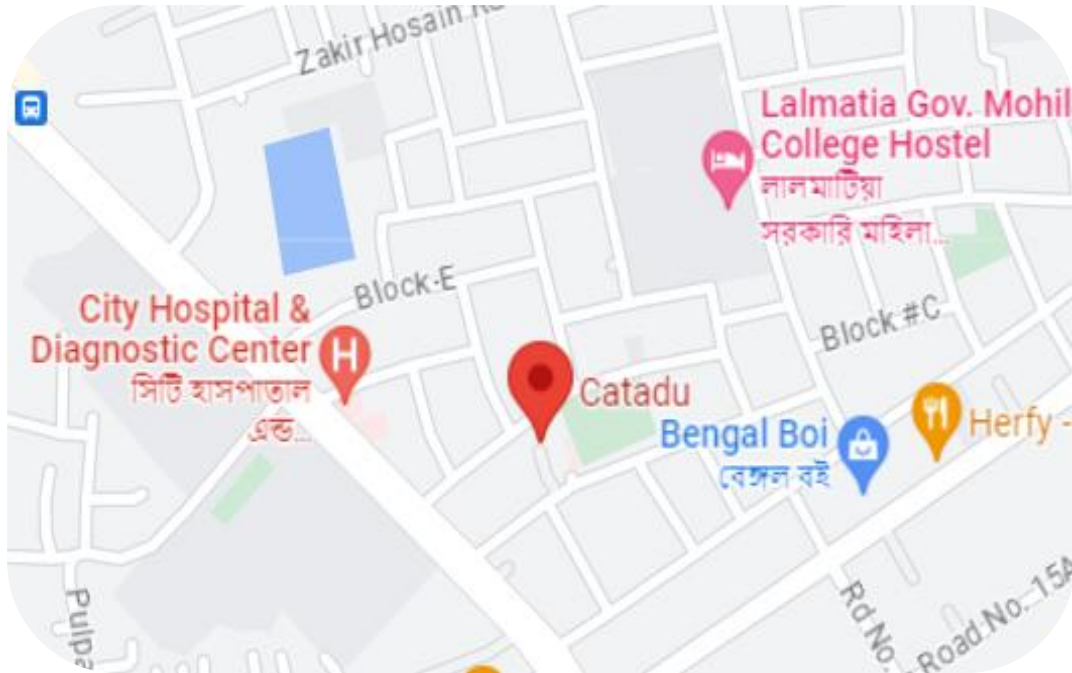

## The Great Opportunity!

We are excited to offer our esteemed Chemistry courses through our online platform, catadu.com. Designed for O, AS, and A2 level students, our comprehensive curriculum and user-friendly interface provide learners with a flexible and engaging learning experience.

## Contact Information

- Mobile number: 01817 122800
- Email Address: info@catadu.com
- Website: catadu.com
- Location: H#5/8 (1<sup>st</sup> Fl.), Block-D, Lalmatia, Dhaka-1207.

Enroll in Cambridge International O, AS, and A Level Chemistry today and embark on an exciting journey of scientific discovery. Contact us now to find out more about our program and start your path towards academic excellence in the captivating world of chemistry.
